PROFESSIONAL SUMMARY

Full Stack Software Engineer with experience building scalable web apps using React, Next.js, Node.js, MySQL, and MongoDB. Passionate about clean code, backend APIs, and cross-functional collaboration to deliver resilient, feedback-driven systems. Despite 1.5 years of experience, I've independently delivered full-stack products and mentored interns, reflecting depth beyond years.

WORK EXPERIENCE

Questera AI | Link   Feb 2024 – Mar 2025

Software Engineer (Remote)   *Delhi*
